Cawaco RC&D Background: Cawaco Resource Conservation & Development (RC&D) is a 501(c)(3) organization that supports environmental, educational and community development projects in Central Alabama.

The Cawaco RC&D Council is actively involved in the management of multi-county, cross-jurisdictional projects that address natural, financial, and/or human resource opportunities within Blount, Chilton, Jefferson, Shelby, and Walker Counties. Many of these projects involve partnerships between local businesses, governmental agencies and citizen volunteers.

The council's name originates from the principal natural assets of the area, the Cahaba, Warrior and Coosa Rivers. Cawaco serves: Blount, Chilton, Jefferson, Shelby and Walker County.
